f) GUEST SPEAKERS

A. Charles Newman – STEM

i. cnewman@mtsac.edu

ii. *Professor Newman spoke about how our society needs more S.T.E.M professors teaching S.T.E.M classes so that students can get their best education. Here is one avenue to get students prepared for that career, and it's completely paid for! For more information, please email Professor Newman (email listed above)*

B. Valerie Biller - Autism Youth Sports League

i. vbiller@mtsac.edu

ii. *We're currently in baseball season, so we invite volunteers to coach a sports league for children (3-18yrs) w/ autism (high to moderate functioning) and their siblings. Need people to help guide the practices and games. Wednesday nights from 6-7:30pm. Season already started, will go through June 22nd, but you don't have to make it to all of the practices. No requirements, everybody can help. Will be held at San Dimas at the Horse Beef Park. Flyers were passed out and will be posted on the Facebook page*

k) DISCUSSION

A. Meeting Times

- i. *Has anyone feel rushed or don't have enough time? The board would like to hear from you all if you would like to meet more often or extend our meeting times or have more meeting dates. A student suggested to have the meeting from 2:30pm-4pm or having them for all Mondays. Other students would consider having the meetings on different days. Still others suggested there be no change. A consistent suggestion amongst the board was not shared.*

B. Appeal Process for Activation

- i. *Some clubs do not meet the club activation deadline on time but have extenuating circumstances – would clubs like an appeal process? Various clubs shared their perspectives. Some clubs agreed they would like a strict process and it should be completed within the week after the deadline. This would be implemented in the next academic year.*
