Applicants to majors in the Henry Samueli School of Engineering & Applied Science (HSSEAS) must complete at least one course from the humanities or social sciences for UC eligibility.

Applicants are not required to complete the HSSEAS General Education Requirements in order to be admitted, although it is beneficial for students to complete 1 course from each of the following areas: arts, humanities, social sciences, and life sciences. Effective Fall 2013, Applicants to specific majors can fulfill the lower division Breadth and General Education requirements by completion of the Intersegmental General Education Transfer Curriculum (IGETC). See [www.assist.org](http://www.assist.org) for G.E. Breadth Requirements

Students are advised to make early progress toward core engineering courses (ENGR), mathematics and physics courses. If a program is accredited by ABET (Accreditation Board of Engineering Technology), there are specific general education guidelines. Consult individual college catalog for clarification.
