If you are planning on pursuing the Bachelor of Science in Nursing programs please see a counselor or educational advisor early in your studies. There are important deadlines regarding when prerequisite coursework must be completed. Also, BSN programs require a supplemental application in addition to an application to the university. There are specific deadlines for fall, winter and spring applications. The CSU open filing period for fall is Oct. 1 - Nov. 30, June 1-30 for winter, and Aug. 1 - 31 for spring. CSULA accepts applications for their nursing programs only during the fall term. Nursing students must submit their application to the university during the open filing period. The supplemental applications have varying deadlines.

They are as follows:
- **CSULA:**
  - December 1
  - February 10 for the fall semester, September 10 for the spring semester
  - March 1 for the fall quarter, October 1 for the winter quarter

The CSU nursing programs also require the Test of Essential Academic Skills (TEAS). The deadlines for completion of this test also vary. It is highly recommended that nursing students attend an information session offered by the university. For more information please refer to their websites.
