WE'RE HIRING!!

We are looking for that one energetic, self-motivated person to add to our team!!

We are a busy small/exotic animal practice looking for a part-time vet tech/assistant, licensing not required. Entry level is fine, some experience is preferred. Some responsibilities will include assisting with physical exams, assisting with surgeries and radiographs, performing in-patient and out-patient treatments, providing day to day care to hospitalized patients, and cleaning/maintaining hospital facilities and equipment.

Interested individuals can drop off resume or email for further information: chaparralpethospital@gmail.com
