Equine Surgical Center specializes in arthroscopic surgery on mainly race horses. We have one of the top surgeons in the world fly in (generally) every other weekend and perform up to 15 surgeries in a weekend.

- Seeking a **Permanent Weekend's Assistant** in our barn during surgery
- Applicant would NOT need to be a Tech, however any knowledge would help
- Applicants need to be competent around horses (this is absolutely necessary)
- Salary: Depending on Experience

RESPONSIBILITIES INCLUDE BUT NOT LIMITED TO:

- Cleaning surgical tools
- Creating packs
- Assisting in preparing horses for surgery
- Assuring horses have everything they need before they leave
