

Highland Garden Center is a retail nursery with a small growing operation located on about 7 acres of Edison owned property under the power lines. We are located near the Colonies Crossroads shopping center in Upland, CA. The nursery has been in business for almost 25 years, always independently owned and operated. We pride ourselves in having a great selection of roses and fruit trees (and nuts and berries too!), and look forward to every holiday season when we transform into a Christmas tree lot. We also carry a great selection of bulk materials, shrubs, trees, annuals & perennials, organic bagged soils and fertilizers, and more.

We're looking for friendly, hard-working and knowledgeable individuals to join our team of Garden Center Associates.

- **PART-TIME** individuals, **but** may have space for a **FULL TIME** person as the positions develop.
- **TEMPORARY INDIVIDUALS** that can help us only through the busy **SPRING SEASON**
- **PRODUCTION DEPARTMENT ASSISTANT**: requires a bilingual individual
- Please note that all jobs at the nursery are dirty jobs, and Student/Applicants will need to be ready to work hard, and to work out in the elements during all seasons. Student/Applicants with horticulture and/or some completed horticulture classes are preferred
- Student/Applicants must be able to safely lift at least 25 pounds frequently throughout the day
- Student/Applicant must be willing to work weekends. Our hours are Mon – Sat from 7am to 5pm, and Sundays from 8 – 4. We will be extending our hours soon, so we may require later hours up to 6 or 7pm from our staff
- Salary: Commensurate to experience

TO APPLY: Apply in person with a current resume
