

Kennolyn Camps

Now Hiring! Equestrian Counselors for Summer 2017!

Since 1946, Kennolyn Camps have welcomed campers and staff from around the world to a beautiful 300 acre camp property in the Santa Cruz Mountains. Atop the hill is an Equestrian Facility with a barn, stalls and paddocks, and 3 riding rings. The Equestrian counselors are part of an excellent team of staff that work throughout the summer (early June through late August).

Primary responsibilities include:

- Teach beginner through advanced English riding lessons as well as Western trail rides and vaulting lessons.
- Assist Equestrian Coordinator feeding all animals each morning and evening plus the cleaning of pastures and stalls each day.
- Help with daily grooming and bathing of the horses.
- Sleep onsite 6 nights a week in camper cabins alongside other staff members (meals and lodging provided).
- Help exercise and prepare horses.
- Participate in evening activities with camper cabin.
- Other duties as assigned.

We welcome your application if:

- You are at least 18 years old • You have completed a minimum of one year of college (or equivalent) • You want to make new friends from all over the world
- You have a positive outlook and a great sense of humor • You have a strong work ethic and work well with others • You are enthusiastic, energetic, motivated, and adaptable • You are responsible and a good role model • You have a big heart and love working with children

As you can see, extensive horse experience is essential for this position! or more information, contact Samantha Townsend program@kennolyn.com or submit your application at www.kennolyncamps.com.
