MT. SAC RESOURCES

<u>Counseling Services</u>: Provides a range of services that include career, academic, and personal counseling, educational planning, and transfer preparation information. Check out recommend <u>course-to-course sequence maps</u> for degrees, certificates, and transfer to CSU Pomona

Mt. SAC Library: Provides a range of resources to prepare students pursuing careers in education, and support students in all areas of study. The library has exam <u>career exploration</u> resources, film and article databases in veterinary science, and more!

Transfer Center: Helps students prepare to transfer through workshops, activities, events, and advising.

<u>Financial Aid:</u> Helps students who might not otherwise be able to attend college. Although the primary responsibility for meeting college costs rests with the student and his/her family, it is recognized that many families have limited resources and are unable to meet the cost of a college education. Financial Aid provides assistance for students with documented financial needs.
