

MT SAC SCHOOL OF CONTINUING EDUCATION
SHORT-TERM VOCATIONAL

CARE COORDINATOR

This program is intended to prepare students to work in a healthcare facility or in the related home health care field. Students will learn to provide timely access to quality healthcare through all phases of the healthcare continuum, determine needs of patients, identify resources, and create an appropriate discharge plan to prevent readmission.

Recommended for currently employed CNA's and Medical Assistants

VOC CC1: Care Coordinator 1

VOC CC2: Care Coordinator 2

VOC HTH06: Health Careers Employability Skills
