2. Attend your session and be prepared to explain your understanding of the information you've learned in the DLA. Consider the main concept you learned and how you might use this in your future assignments/classes.
3. If your professor asks you to provide proof, you can review the "appointment summary report" through EAB Navigate (app or desktop). You will find all Writing Center appointments under "appointment summary reports" (app or desktop). Look for the summary report for your DLA appointment. This is where your writing specialist will indicate the title of your DLA and state whether it is "completed" or "not completed." If it is marked as "not completed," book a follow up appointment to complete.

Note: Appointment summary reports are also sent weekly to your instructor on record. If there is an issue, please contact us at writingcenter@mtsac.edu or (909) 274-5325.
