

NoodleTools®

(formerly NoodleBib®)

You might be thinking, “Noodle...*what?*” Well, if you need help organizing your sources, compiling a works cited page, or adding footnotes—look no further! The Writing Center now offers NoodleTools®, a program that helps make working with sources easier *and more accurate!*

Build accurate citations that follow current guidelines!

Some NoodleTools® features:

- * Format in MLA, APA, and Chicago/Turabian documentation styles
- * Create notecards for your source, highlighting and analyzing quotes you want to use in your papers
- * Type, save, and export your essays to Microsoft Word®, Google Docs®, and a variety of other formats

Visit mtsac.edu/writingcenter for a current schedule of workshops, including “Citations Made Easy,” which features tips on utilizing the **NoodleTools®** platform.

The Journal of American Librarianship notes that, “[NoodleTools's] error rate was less than that of the widely-used *EndNote*.”

How to register for a NoodleTools® account:
