

HR Compliance Audit

Course Overview

This course is for the individual within an organization responsible for Human Resources oversight. The course will include training to conducting an internal HR audit. It will help you identify any problem areas and allow you to correct. Evaluation of HR policies (recruiting hiring, performance management, training, leave management, termination, employee retention, compensation and benefits) A review of HR indicators (turnover, employee satisfaction, absenteeism rates, complaints and lawsuits)

Key Takeaways

1. Review and understand an HR Audit Checklist
2. Create a plan to address issues
